Regency Silver Announces Appointment of Matthew Warder to the Advisory Committee

Vancouver, BC – August 28, 2024 – Regency Silver Corp. (“Regency Silver” or the “Company”, TSXV- RSMX and OTCQB-RSMXF) is pleased to announce that Mr. Matthew Warder has joined the Company’s Advisory Committee.

Mr. Warder is an energy, metals and mining analyst with nearly two decades of experience covering the natural resource and industrial sectors. As founder of consultancy Seawolf Research, he provides investment and advisory services to mining industry and financial clients, focusing primarily on corporate communications and supply/demand/cost/price forecasting across the American commodities space.

Prior to forming Seawolf, Mr. Warder spent a decade at global energy/metals/mining consultancy Wood Mackenzie, and several years as Director of Energy Capital Research Group, where he managed a multi-sector equity research team and authored a weekly natural resources-focused publication alongside prominent resource investor Rick Rule.

Bruce Bragagnolo, Executive Chairman stated “ With the success of our drill programs at our Dios Padre project, we are pleased to have an industry professional with Matt’s credentials join our Advisory Committee. Matt’s experience in the mining industry and contacts within the American investor segment will bring a lot of value to the financing and development of the Company.”

ABOUT REGENCY SILVER CORP.:

Regency Silver Corp. is a Canadian resource company exploring for high grade gold, copper, and silver in Mexico. Regency Silver is led by a team of experienced professionals with expertise in both exploration and production. Regency's flagship project is the high grade Dios Padre project in Sonora, Mexico where Regency has made a large, high grade, gold-copper-silver discovery which appears to widen at depth. Drill results have included **38 metres of 7.36 g/t gold** in hole REG 23-21, **36 metres of 6.84 g/t gold, 0.88% copper and 21.8 g/t silver** in hole REG 22-01, and **29.4 m of 6.32 g/t gold** in hole REG 23-14.
