NEWS RELEASE

Regency Silver to Present at the Centurion One Capital 4th Annual Bahamas Summit

Vancouver, BC – October 15, 2026 – Regency Silver Corp. (“Regency Silver” or the “Company”) (TSXV: RSMX | OTCQB: RSMXF | FRANKFURT: ZJ90) is pleased to announce it will be presenting at the Centurion One Capital 4th Annual Bahamas Summit, a three-day invitation only event taking place at the exclusive Rosewood Baha Mar Hotel from Monday, October 19th to Wednesday, October 21st, 2026, in Nassau, Bahamas.

Bruce Bragagnolo, CEO will be presenting and attending investor meetings. Regency Silver will also be participating in a panel discussion during the event. “We are excited to attend and present at the prestigious Centurion One Capital conference. With drilling resuming at Dios Padre and the addition of the Jabali Gold Project to our portfolio, this is an important time for Regency, and we look forward to the opportunity to reconnect with existing shareholders and meet potential new investors,” said Bruce Bragagnolo.

Recent Highlights

- Acquisition of the past-producing Jabali Gold Project in Sonora, Mexico, near Alamos Gold’s Mulatos mine
- Drilling resuming at the flagship Dios Padre project following a technical review
- 9,375 metres drilled in 2025/26, with over 18,500 metres drilled to date by Regency at Dios Padre
- Mineralized breccia body confirmed continuous to approximately 775 metres down-plunge and remaining open in all directions, now measuring approximately 230m x 150m x 50m with a high-grade core of 150m x 75m x 50m
- Hole REG 26-35 intersected 36.35 metres of 5.06 g/t gold, 1.10% copper and 41.85 g/t silver, hitting the breccia again

ABOUT REGENCY SILVER CORP.

Regency Silver Corp. (TSXV: RSMX | OTCQB: RSMXF | FRANKFURT: ZJ90) is a Canadian mineral exploration company focused on high-grade gold, silver, and copper in Mexico. Regency Silver is led by a team of experienced professionals with expertise in both exploration and production. The Company's flagship asset is the **Dios Padre Project in Yecora, Sonora, Mexico**, where Regency Silver has discovered a large, high-grade silver-gold-copper system interpreted as a magmatic-hydrothermal breccia that widens with depth.

High-grade intercepts at Dios Padre include:

- REG-23-21: 38 metres of 7.36 g/t gold
- REG-26-35: 36 metres of 5.06 g/t gold, 1.1% copper, and 41.85 g/t silver
- REG-22-01: 36 metres of 6.84 g/t gold, 0.88% copper, and 21.8 g/t silver
- REG-23-14: 29.4 metres of 6.32 g/t gold

A NI 43-101 Technical Report titled "*Geological Report and Resource Estimate, Dios Padre Property, Municipality of Yecora, Sonora State, Mexico*" (dated March 2, 2023, prepared by Gordon Gibson, B.Sc., P.Geol) estimates an inferred mineral resource of 11.375 million ounces of silver equivalent: 1.384 million tonnes at 255.64 g/t AgEq which report does not include the above results.

Regency recently announced an agreement to acquire the past producing Jabali Gold Project, located only 20 km from Dios Padre and 6 km from the Mulatos mine.
